

SCALING WITH

SUBCONTRACTORS

This discussion and worksheet will help you
hire subcontractors and fast-track your scaling
journey

Use the worksheet to make strategic
decisions for your business

SCALING WITH SUBCONTRACTORS

What are the 5 areas in your business that can propel growth but eat up your time and don't need YOU for delivery?

Out of these 5 areas, which are the 3 that have a direct impact on your revenue and /or client experience

What are the first 3 JOBS for those 3 roles that you can hire out for?

How will you measure impact, effectiveness and ROI?
